Video-Dome's Story Starter

Video-Dome has begun writing a story about himself and the Read League. However, he has not read enough books to know what makes a good story, so he is having trouble finishing it! Help Video-Dome by writing the rest of the story.

"Haha!" laughed the villainous Video-Dome as he raced to the Read League's sea-craft, which sat empty. "I'll just borrow this, since they won't be needing it anytime soon." He glanced back to where he had left the four members of the Read League tied up and in a...
