

# PROGAM DATES

October 1, 2014 - March 31, 2015

The only way to get better at reading is to do it. The Pizza Hut® BOOK IT!® Program motivates children to read more by rewarding them for their reading accomplishments. It can be used to enhance programs that teach children how to read, support comprehension and intervention programs, and encourage parents to spend more time reading with their children at home.

Dear Teacher,

As a parent, I am interested in having my child's classroom participate in the BOOK IT! Program.
