

# The Story of Ferdinand

by Munro Leaf

A true classic with a timeless message, *The Story of Ferdinand* has enchanted readers since it was first published in 1936. This new edition contains the complete original text of the story and the original illustrations with watercolor tones added.

## Read

### Before:

Introduce the book and tell the children a little bit about it. Follow that with a comment or question that is related to the story such as, *Who can tell me what kind of animal was Ferdinand?* Encourage a discussion so the children can comment, ask questions, and express their feelings. Set the stage for listening by asking an "I wonder" statement based on the cover illustration.

- I wonder why Ferdinand liked to smell the flowers?

### During:

Encourage the children to comment on the illustrations, ask questions, and predict what will happen next in the story. Children gain confidence and a sense of achievement through being able to correctly predict how a story will end. Point out "rare words" (e.g., those words that are not commonly used in every day conversation) and help the children relate the meaning in a way that makes sense to them.
