

WHAT IS LOVE?

An illustration of a boy in a blue shirt and brown pants running on a green grassy hill. A brown dog is running alongside him. The sky is bright blue with a large, soft white cloud. Three black birds are flying in the sky. On the left, there is a large green tree with a brown trunk. On the right, there are two tall, thin green cypress trees. The overall style is soft and painterly.

What Do You Love?

One good way to figure out what love is, is to make a list of people that you love. Using the space below write the names of six people or groups that you love and one reason why you love them.

1. _____

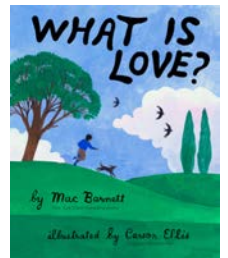

2. _____

3. _____

4. _____

5. _____

6. _____

Define Love Through Art

Author Mac Barnett says: “Love is complex and messy and huge. Love is a feeling, but love is also an idea.” Since it can be hard to define love using words, sometimes it’s easier to draw a picture. Use the space below to illustrate what you think love means.
